**REQUEST FOR CORRECTION OF FILING RECEIPT**

Commissioner for Patents  
P. O. Box 1450  
Alexandria, VA 22313-1450

Sir:

Applicants discovered that the filing receipt (copy enclosed) does not show that applicants claimed domestic priority as applicants requested in the ADS, a copy of which is submitted herewith. When the application was filed, applicants indicated in their ADS that "This application is a non-provisional application of CH2782 US PRV 2000-07-19 US pending". Applicants inadvertently omitted the application number of the provisional application, which is 60/219,400. A copy of the provisional filing receipt is attached hereto. The provisional filing receipt shows applicants' attorney's docket number and filing date, both matching the ADS referred to above. Also attached hereto is a copy of the provisional application.

Applicants therefore request that the filing receipt of the above-captioned application be corrected.

Respectfully submitted,

Lucas K. Shay
